

HERITAGE VINYL WINDOWS

The Heritage window series provides premium thermal performance, keeping extreme hot and cold temperatures out of your home to protect your family and your utility bill. Its attractive beveled frame, traditional grid option and long list of practical features will add elegance to any home. The Heritage window series is covered by a premium warranty. Available in white, clay and black.

Fusion-welded construction provides a strong, weather-tight seal.

Contains engineered balance system for smooth, reliable operation.

Our sleek sweeplocks are easy to operate and keep your home secure. All hardware is located below the sightline so people outside cannot see it.

Our windows feature quality screens and matching screen frames for a sleek, one-piece look.

AAMA & NFRC Certified Performance
Suitable for use in Canada based
on the AAMA Certification

3/4" insulated glass with optional stainless steel spacer provides excellent energy performance. Argon gas is another option to further improve energy efficiency.
