

WINDOWS

9700 PICTURE WINDOW

QUALITY IS IN THE DETAILS

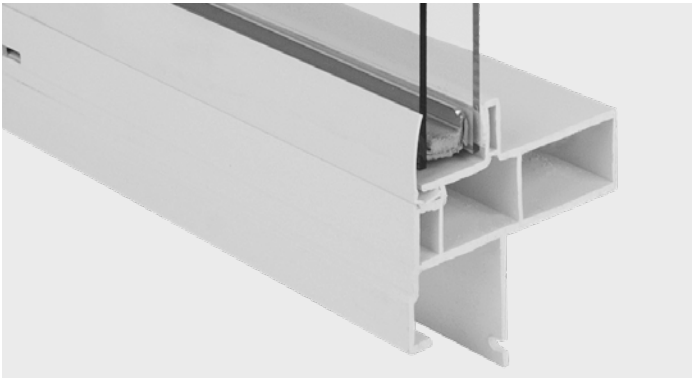

The timeless 9700 Picture Window with attractive colonial brick mold beautifully frames your view while providing optimum thermal performance, keeping extreme temperatures out of your home. Its strong fusion-welded construction, dual weather stripping, insulated glass and multi-chambered frame all provide energy efficiency and seal out the elements.

Whenever, wherever, we make your experience better.

MAINTENANCE-FREE VINYL

Multi-chambered Frame

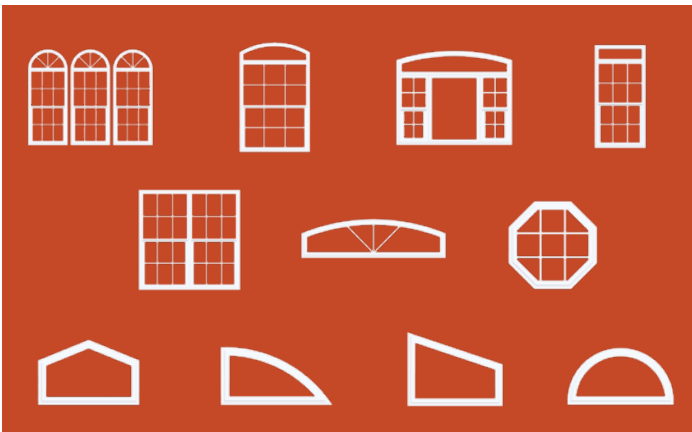

Multi-chambered frame provides increased rigidity and energy efficiency.

3/4" Insulated Glass

3/4" insulated glass with stainless steel spacer provides excellent energy performance; argon glass option available to further improve energy efficiency.

Custom Windows
